WILBUR J. ROCKWOOD

To

Wilbur J. Rockwood

Our Beloved Principal

We

The Students of the Senior Class

Dedicate our Year Book

Nineteen Hundred and Thirty One

M.G.Sanborn

THE members of the class of 1931 will be the last to carry the imprint of four years' effort by a master craftsman. May they live long and continue to be a credit to him.

OUR APPRECIATION OF MR. WILBUR J. ROCKWOOD

By the retirement of Mr. Wilbur J. Roekwood, education loses one of the ablest men ever at the helm of seeondary edueation in this eity. Principal Roekwood has felt not less than an exalted devotion to the duties and responsibilities of his position as administrative offieer of one of the most effieient public high schools in New England. This, he has expressed in his educational service day in and day out with a eonstancy and an attentiveness which all his young charges have revered and admired. That Everett and we, the present pupils of Everett Senior High Sehool, were able to have the serviees of such an edueator as Wilbur J. Roekwood is a matter for us all to mark and remember.

Wilbur J. Roekwood was possessed of remarkable equipment as a teaeher of youth. This equipment was three-fold: high and definite ideals, elear insight, and a developed individuality.

Ideals, conseientiously held, determine life in its various phases. Having a definite aim stimulates one to put forth every effort to realize that aim. Definite ideals secure that concentration of energy which is essential to the highest suceess. One secret of Mr. Roekwood's suecess as a teacher of youth was that he was able to seeure the hearty co-operation of the institution in all that pertained to the advaneement of seeondary edueation in Everett and Mr. Roekwood was of the type of man and good eitizen able to hold up before the students ideals which appealed to our interest and our reason.

Mr. Rockwood had a elear insight into all that pertained to his work. Best of all he had an insight into the nature of the student with whom he dealt. He had an insight into the interests, the mental power, the eapaeities, and the needs of the students at the various periods of their high school earcer, and of the order and relative prominenee of mental phenomena as they manifest themselves in the growing minds that he eould more wisely ehoose the best methods to aid nature in pronouncing a well-rounded, fully developed, winsome eharaeter.

Wilbur J. Roekwood also has a clear insight into the process of learning, which is but the converse of the proeess of teaehing. Mr. Rockwood seemed to be a master in the art of securing a vivid impression, a correct assimulation, and a varied and ready expression on the part of the student and thus gave Everett a master in the finest of the fine arts—the art of teaehing, that is why Mr. Roekwood had sueh suceess as a teacher because all of us know that other things being equal, the teacher with the profoundest insight into the nature of the pupil, the content of the means and the proeess of learning, will be the most suecessful teaeher.

Principal Rockwood had a developed individuality. That is why he was able to make the best use of the means at his disposal for the realization of his ideals. He was always himself. Our world is full of imitators. What is needed is an interest in the number of those who are not willing to follow slavishly the methods of others, but who strive to express themselves in their work, seeking to lead rather than to follow. Such an educator was Wilbur J. Rockwood.

Mr. Rockwood gave to all the affairs of Everett High School the advantage of his keen human insight and thorough experience of youth and of secondary education problems in general. Everett can ill afford the loss of such a man, but in retiring from the educational field the entire citizenship of the communitywill appreciate that Wilbur J. Rockwood has written a record and set an example that will endure long after he and his successors have returned to the dust.

CLASS ODE

As when before his well-trained men
A general beloved appears,
They greet him with a quick salute,
While others join in shouts and cheers.

So we, the class of '31,
Salute our chief with hearts aglow;
Proud that his hand has guided us,
As to the strife we forward go.

What tribute worthy of his name
Who through the years our school has brought
To place of honor in the land,
Because so steadfastly he wrought?

Whose patience, justice, wisdom great
Have guided hundreds of our youth,
And set their feet upon the path
That leads to knowledge of the truth.

We had the idea that all men would like to be the "perfect 36" but "Lou" surprises me by saying he'd like to be plumper. We suggest miniature golf "Lon"—that is very good for the figure.

THE FINAL BOOK REPORT OF THE CLASS OF 1931

Title: "The Class of 1931".
Author: The Classmates.
Nationality: Rockwoodonians
Birth: September 7, 1927.
Confirmation: June 9, 1931.
Classification: History.

Setting:

Time—A period of four years.
Place—Everett High School.

Historical Background—"The Class of 1931" has the distinction of being Mr. Rockwood's last Senior class. This class, also, took part in the school's Tercentenary exhibition during its Junior year. Two other affairs of historical importance were held during its Senior year: namely, the convention of the Associated Body of Student Councils of Massachusetts High Schools and the football game with a team from Chicago at the Everett Stadium.

Plot:

Opening Situation—The division of the class—the commercial and college courses at the Junior High and the art courses at the Senior High.

Climax—The fifty-five points which made the classmates Seniors.

Closing Situation—The last assembly of the Class of 1931, Graduation Day—three hundred and eighty young men and women received diplomas.

Events and Characters: We are asked to make a report of the events of the Class of '31. Why, the most worthy Board of Editors do not seem to understand that it would take volumes to tell what this class has accomplished, but we must cut it down to a paltry page or two.

FRESHMAN YEAR

The class began its Freshman year in September, 1927. At the Senior High School, Joseph Ricci was elected to represent the class in the School Council, and David Burns in the Good Cheer Committee. As Christmas approached, the work of the Christmas Committee was foremost in the minds of the students, and they chose James Griffin as the '31 member of this committee.

Freshmen do not often take part in school productions. Isadore Huberman, however, in his first year, had a feminine role in the Lyceum play, "Officer 666". He also took part in the prize speaking contest. The Freshmen came through with flying colors in the Beacon Oil Entertainment given for the benefit of the families that had lost fathers and husbands in the Beacon Oil disaster. James Griffin was in charge of tickets.

At the Junior High, Carla Paaske was elected president of the P. C. G. A. This organization was active throughout the entire year with its council duties, weekly assemblies, and quarterly dances. The chief event of the year, Parlin Day, came in June. Many of the classmates had been working for a Parlin "P" and the following were awarded letters on Parlin Day: Evelyn Adams, Santa Campagna, Hilda Erickson, Elva Gowen, Ruth Mannion, Scott Manuel, Grace Mearls, Charles Moran, Catherine McKenna and Carla Paaske.

The class met for the first time June, 1928 in Rockwood Auditorium where the members received diplomas for having completed nine years of school work.

SOPHOMORE YEAR

The classmates of '31 became Sophomores in the fall of 1928. Carla Paaske represented the class in the School Council and in the Good Cheer Committee. Lena Levovsky brought credit to the class by winning the medal for girls in the prize speaking contest. Many of the boys took part in athletics, and it is with pleasure that the class submits the following "E" men: "Tony" La court and "Babe" Green for football; John Shea and Edward Conley joined the baseball team. Two girls active in sports were Gertrude Snoen and Dorothy Masters, both receiving letters for their work. Two members of the class of '31 were on the Broadcast staff: Carla Paaske, and Stanley Whittemore. Floyd Butler was elected as the Sophomore member of the Christmas Committee.

Among the school's entertainers the following of this class were prominent: Blanche De Genova, Elva Gowen, Donald Houton, Isadore Huberman, and Harry Willis. Many of the members joined the Lyceum, Band, Orchestra, Girls' and Boys' Glee Clubs, and other clubs during the second year of high school.

JUNIOR YEAR

The class became fully organized for the first time in its Junior year. Lawrence Davis, William Brickley, Carla Paaske, and Floyd Butler were chosen as class officers. Scott Manuel and Floyd Butler represented the Juniors in the School Council. Averill Carpenter was active as a "Good Cheer" worker throughout the year.

In December, Floyd Butler was again elected to serve on the Christmas Committee. The leading football athletes were Floyd Butler, Harry Caholan, Arthur Coviello, Lawrence Davis, Sydney Goldstein, William Jackson, Scott Manuel, Jack MacLean, and Milton Richmond.

The following were prominent in basketball: Charles Foberg, Arnold Rogean, and Edward Rogers. The baseball letter men were Edward Connolly, John Shea, and Millin Yavarow.

Gertrude Snoen was manager of the Girls' Basketball team. Dorothy Marsters, Ruth Mannion, Carmella Ricci, and Rose Tierney played on the team.

The prize speaking awards for the school were won by two members of the class, Lena Levovsky and Lawrence Davis.

Carla Paaske was associate editor of the Broadcast, while Lena Levovsky was on the general staff. The associate editor and Francis Bellevue were members of the Broadcast Board. The Broadcast entertainment prize was won by a group of students known as the Merrites of 208. This clever group was formed by Samuel Blanck, Ellis Cornish, Richard McLay, Carla Paaske, Boyce Spooner, and Thomas Sullivan.

Isadore Huberman and Benjamin Schwartz had the roles of female impersonators in the annual Lyceum play. Blanche De Genova and Elva Gowen performed in many entertainments. Annie Semenuk became known as the class artist because of splendid work in the 1930 Year Book.

The great event of the year came in May, "The Junior Promenade". Its success was due to the whole-hearted co-operation of the student body and the following executive committee: Lawrence Davis, Scott Manuel, James Gross, Carla Paaske, and Eleanor Constantine. The above committee was assisted by a general committee consisting of Averill Carpenter, Blanche De Genova, Elva Gowen, Marie Lanciani, Lucille Tarr, Floyd Butler, Donnolly, Clive Doran, David FitzGerald, Everett Grieves, Sydney Goldstein, and Marchant. Many class members were again active in the various clubs.

SENIOR YEAR

The Class of '31 began its most important and enjoyable year in September, 1930. Lawrenee Davis was elected president; Manuel Oliveri, vice-president; Carla Paaske, secretary; Sydney Goldstein, treasurer; and Millin Yavarow, assistant treasurer. Carla Paaske and John Riley represented the class in the School Council for the year. The former was also student chairman of this organization. Everett Grieves and True Waltz served as traffic squad officers. Averill Carpenter and John Riley did the "Good Cheer" Committee work.

The first event of the year came in December, the Senior Class play. Frances Wilson and Sylvester Scanlan took the leading roles and were supported by a fine cast consisting of Samuel Blanck, Blanche De Genova, Robley Evans, John O'Donnell, Muriel Potts, Thomas Savage, Boyce Spooner, Lucille Farr, Dorothy Tuck, and Benjamin White. The play committee, which chose the cast, had the following members: Lawrence Davis, chairman; Lillian Brown, Harry Caholan, Averill Carpenter, Blanche De Genova, Catherine Fraleigh, Wallace Fuglested, James Gross, Manuel Oliveri, Carla Paaske, Richard Scully, and Helen Traill. The production committee consisted of James Gross, business manager; Armando Bernardi, assistant business manager; Isadore Huberman, stage manager; and John Riley, assistant business manager.

Seniors also took part in all the other plays presented during the 1930-1931 school term. Averill Carpenter had the leading part in the Glee Club production. Other principals of the east were Samuel Blanck, Priscilla Emerson, Marguerite Forde, and Isadore Huberman. Clive Doran and Charles Moran took part in the annual Lyceum play.

The Dramatic Class had the following members in the cast of its first play: Arthur Dowd, Esta Galvin, Lena Levovsky, Muriel Potts, Frances Starratt, and Dorothy Tuck.

Carla Paaske was editor-in-chief of the school paper, the "Broadcast", and has ten Seniors on her literary staff: Santa Campagna, Catherine Derricotte, Ruth Ferguson, Barbara Gourville, Lena Levovsky, Marion Macauley, Arthur Petrie, Muriel Potts, Thomas Savage, and Ralph Spear.

The staff typists were Alice Burns, Jennie Carbone, Cerina Di Nino, Marion Levine, Grace Merenda, Alice Raftery, Annie Rotman, and Dorothy Tuck.

President Davis was elected chairman of the Christmas Committee.

January brought the Senior Dance which was as successful as the Prom. The executive committee consisted of Lawrence Davis, Manuel Oliveri, Carla Paaske, and Frances Wilson. Averill Carpenter, Harold Cleary, Eleanor Constantine, Blanche De Genova, Marguerite Forde, Lena Levovsky, Marion Macauley, Edward Mackey, Frank Perotta, Jessie Pratt, and "Tony" Pelosi were on the general committee.

Lawrence Davis again won the prize for boys in the prize speaking contest.

The class of '31, like other classes, desired to have a Year Book. Ruth Ferguson and Francis Bellevue were elected editor and associate editor, respectively. Manuel Oliveri, business manager of the dance committee, was elected to the same position on the Year Book committee.

As in previous years many of the boys were active in sports.

Football letter men: Captain Goldstein, Edward Conley, Milton Richmond, Edward Crane, Charles Foberg, Manuel Oliveri, Arthur Coviello, Lawrence Davis, Edward Rogers, Scott Manuel, Arnold Rogean, William Jackson, Arthur Wood, Arthur Green and Ernest Hosty.

Basketball letter men: Captain Foberg, Arnold Rogean, Edward Rogers, Mully Yavarow, Anthony Pelosi, Scott Manuel, Wallace Fuglested, and Eugene Kudryk.

And then before any of the classmates quite expected Class Day, Field Day, and Graduation had come. The president was elected chairman and orator of Class Day. Sylvester Scanlan gave the welcoming address, while the Class History was given by Averill Carpenter and James Gross, the Class Prophecy by Muriel Potts and George Marsters, and the Class Will by Elva Gowen and Isadore Huberman. Manuel Oliveri was elected chairman of Field Day.

The valedictorian and salutatorian speeches at Graduation were given by Mully Yavarow and Carla Paaske who were chosen from the following list of members, highest in scholarship for the four years: Genevieve O'Brien, Ruth Caswell, Carla Paaske, Lillian Pastorello, Mully Yavarow, Alice Morris, Clive Doran, Catherine McKenna, Gertrude Snoen, Catherine Fraleigh, Mildred Braxton, Pauline Carter, Mary Carens, Dorothy Carlson, Paul Meltz, and Hilda Erikson.

Motto: It Shall Be Done.

Opinion: Four years ago the "Class of 1931" entered high school as Freshmen. How long ago it seems! To some members, the four years have meant a period of toil and the "sameness" of work; to others it has brought love of the tasks set before them for their own good. Nevertheless, through many hardships and trials they have attempted to reach the top of the ladder and have succeeded—Graduation.

When the day of graduation dawned, many sensations came upon "the future citizens". There were those who were greatly relieved, those who were merely indifferent, those who were only surprised, and those who were grieved to break the ties that had bound classmates and teachers.

The hearts of the Class of 1931 should go out to Everett High in appreciation for all that has been done for them within those walls.

Do we hear a "roof-raising" cheer for dear old Everett High, for the pleasant memories she will have given the classmates of '31 when they have gone far from her portals?

Quotation:

"Courage! Classmates, as we peer
Into the future's untried heights
Which we must clear
Or forfeit precious rights."

Carla Paaske.

The Senior Class Play of 1931, coached by Miss Myra Marshall and Miss Ellen Woods, proved to be the greatest production in the history of the school. The play, a melodramatic farce, ranged from the highest rungs of laughter, to the depths of sadness, and the tumult of applause at its finale, gave testimony of its worth.

The fine acting ability of Sylvester F. Scanlan, the leading man, and Frances Wilson, his leading lady, supported by a brilliant cast, will live forever in the minds of all who were privileged to be present.

JUNIOR CLASS

While we of the Junior Class are waiting to become Seniors, and before we fall heir to the privilege and prestige that now is theirs, we can review with great satisfaction the reeord we have made during the past year. In all that the school accomplished, whether on the athletic field in contest with other schools or in the activities sponsored by musical and dramatic clubs and other groups within our own school a large and an important part was played by the Junior Class! It is unavoidable in writing this sketch of what we achieved as a Class, that some names will be mentioned to the exclusion of others. Such names figured more dramatically in the events that took place; hence their mention. The fact remains however that every single member of the Junior Class contributed his share to the splendid record that it made.

At the first meeting of the Junior Class, early in October, the following officers were eleeted: President, Carl Stein; Viee President, Carl Linden; Secretary, Mary Cleary; Treasurer, Marshall Kearney. Harvey Katz was elected to the School Council.

When Coach Gildea called out the boys for the football season, these Juniors won a plaee on the team: Carl Stein, Edward Rogers, Lawrence Bleiler, Carl Caroselli, Ray Madden, Charles Lund, Louis Polansky, Dave Gagliardi, John O'Leary, William Brickley, Alfred Bonds, Mario Sarno. The fine reeord that the team made was due in no small measure to the playing of these Juniors.

The football season had hardly elosed when basketball became the game of the hour, and in this sport at least, the Juniors were all important. Edward Rogers, Louis Polansky and William DeVenuti were the foundation of the team which made an enviable reeord throughout the state. William Brady was the manager of the team and won high praise from everyone eoneerning his work.

Donald McKee and Joseph Pais won their letters in Track. The Junior Class is glad to aeknowledge its debt to these two for their representation in this sport.

The Juniors were represented on the Year Book Staff by Mary Cleary.

The Junior and the Freshman Classes joined forces in presenting an entertainment to procure funds for the benefit of the Christmas Committee. This year, because of the prevailing business depression, it was of paramount importance to secure as much money as possible to benefit the needy families in Everett. It is a source of great satisfaetion to report that a splendid response was given to aid this deserving work.

In all the plays presented by the various clubs, inevitably it seemed that the best parts were given to members of the Junior Class. What the clubs would have done without us is a question; and we are too modest to do more than suggest the answer.

In the Everett High Band, again we find a large number of Juniors and at the assemblies, from week to week, we certainly enjoyed hearing the Orchestra play its stirring renditions. The Class of 1932 was well represented in the enrollment of both these fine organizations.

The Junior and Senior Class Meetings held Friday nights furnished the upper-elassmen a great deal of soeiability and great fun. At these meetings the Juniors were large in their attendance, and no small part of the sueeess of these socials was due to the spirit and eooperation of the members of our Class.

The big event of the year was the Junior Prom. On May 15, all the class turned out in style, tuxedo and evening gown, and made merry in the Gymnasium. Under the able leadership of the committees appointed by Carl Stein, our President, the Junior Prom was certainly a time that all of us will remember as one of the happiest occasions of our whole school career.

It was not only in athletics and in social events that our Class contributed to the general accomplishments of the school. The Juniors were well represented on the Honor and Credit List: and in this respect we feel especially proud of our share in the scholastic achievements of those of our Class whose names were included on these lists of pupils.

We realize that every Class feels sure it has been the best ever to represent the School. We do not wish to make superlative statements: but the Class of 1932 does feel that it has made an excellent all-round record, scholastically, athletically and socially; and that it will go down in the history of Everett High School as one of the finest Junior Classes of all times.

SOPHOMORES

For the most part, with the exception of last year's Arts Course Freshmen, this year's supply of sophomores are recruits from Junior High School.

It was with a wild curiosity, mingled with hopeful anticipation, that they entered the high school last Fall. They reminded one of a corps of Napoleon's soldiers in search of a war and not being disappointed in finding it.

They have found to their delight that the Everett Senior High School has lived up to all they expected of it—and more.

When Saint Peter summons all the good before him on Judgment Day to tell him of their worthy deeds, the sophomore class of 1930—1931 will fare well.

Below is listed the outstanding members of the class and their achievements:

Honors in scholarship were given Arthur DiMattia, Alice MacCallum, John Sivertson, Leo Gilman, Margaret Sherry, and Charles Stanwood.

Lawrence Winterbottom was captain and manager of the tennis team and also one of Coach Gildea's first-string tracksters.

When in January the Lyceum presented its annual play, "A Pair of Sixes," the following played prominent roles: Fred Benton, Arthur DiMattia, Oscar Surgecoff, James P. Walker, and John J. Toomey.

Sophomore members of the "Broadcast" staff were: Vivian Harper and John J. Toomey.

Doris Fridstrom, Helen Brown, and Vivian Harper were in the cast of the Girls' Glee Club annual musical comedy, "Jerry From Jericho Road."

The soph representatives in the Prize Speaking Contest were Clarinda Keir and Charles Stanwood. Clarinda was awarded the first prize for the girls.

Arthur DiMattia was chosen Sophomore delegate to the School Council.

John J. Toomey was the only soph speaker in the Prize Debate.

Barrett King was soph representative on the Christmas Committee.

Doris Fridstrom was elected to represent the second year class on the Good Cheer Committee.

Ado Committo had the distinction of being a member of the first string tracksters and journeyed to Pennsylvania with the team for the annual inter-scholastic meet.

With such a record no one can truthfully rise up and declare that this year's sophomore class was not one of the most active ever to hold session within the walls of our high school.

JOHN J. TOOMEY

FRESHMEN CLASS

The Freshmen Class this year at the Senior High School consisted of approximately 225 members. These were divided into six Mechanical Arts Divisions and three Domestic Science Divisions.

Muriel Velmure and Geno Bertocchi represented the Freshman Class in the Prize Speaking Contest.

Mason Dillaway spoke for the Freshmen in the School Council.

Harold Hill did splendid work on both The Good Cheer Committee and the Christmas Committee.

Joseph Schwerdt made a good showing for the Freshmen on the football squad.

Edward Doyle

SCHOOL COUNCIL

The School Council again closes its session with the feeling that it has been of benefit to the school as a whole.

A great deal of time and effort has been spent by the School Council in discussing and trying out traffic systems and it is hoped that the future classes will be aided by our efforts.

A very interesting and inspiring convention was held when students from all over Massachusetts met in our school for the Sixth Annual Convention of the Associated Body of Massachusetts School Councils on February 21, 1931. Much food for thought was contained in the Address of Welcome given by Honorable Michael C. O'Neil, Mayor of Everett, and in the address of Honorable Edwin O. Childs, Ex-Mayor of Newton. We feel that this convention was a motive power toward the development of school councils in this state.

THE BROADCAST

Signing off with the 1931 issue of Memories, the Broadcast concludes its eighth year. As in past years, its success this year has been due to the cooperation of the faculty, student body, staff, and printers.

The graduating members of the staff extend their most cordial wishes for the success of the 1931-1932 publications of the Broadcast.

GOOD CHEER COMMITTEE

All four classes and the Faculty are represented on the Good Cheer Committee. Each class elects one member of the committee except the Senior Class which elects two. The Senior members this year were: Averill Carpenter and John Riley; the Junior member, William Brady; the Sophomore, Doris Fridstrom, and the Freshman, Mulfy Ricci. Miss Martha L. Desmond is the Faculty advisor.

The work of this committee is very interesting. The members of the committee check the absent list each day, inquire into the causes of absence, and bring "Good Cheer" into scores of homes where pupils are confined by sickness of considerable duration.

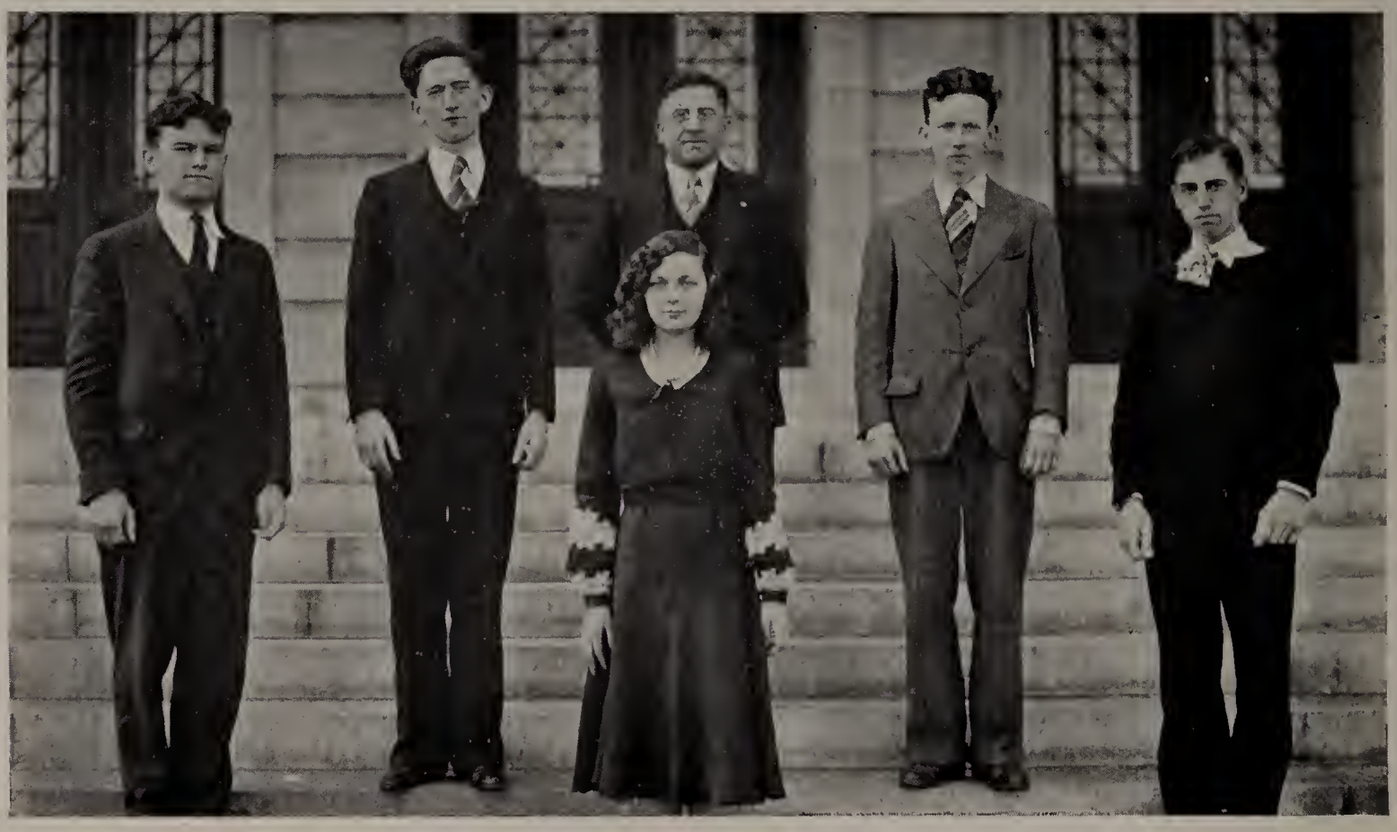
The band this year under the able leadership of Howard Shuman comprised about thirty-five members.

A great deal of work was accomplished during rehearsals, which occurred every Wednesday afternoon.

Playing at football games has been the outstanding feature of the Band.

The band was also bestowed with the honor of playing in the Legion Parade, Saturday, May 16, 1931.

Luck and good wishes are sent the coming members.



THE CHRISTMAS COMMITTEE

The Christmas Committee of 1930 was:

Mr. J. Cantalupi	Chairman
Lawrenee Davis	Senior Representative
James Cleary	Junior Representative
Barrett King	Sophomore Representative
Harold Hill	Freshman Representative
Greta Scribner	Secretary

The Christmas Committee of 1930 attributes its success to the cooperation of the pupils and teachers. The eommittee was indeed very fortunate in being able to give so many baskets which helped to make a greater number of families happy.

We hope the future Christmas Committee will have as much pleasure in doing the work as the committee of 1930 had.

THE GIRLS' GLEE CLUB SHOW

The musical comedy, "Jerry of Jericho Road", this year's annual production was fascinating, novel and full of life.

A clever plot, rythmic dance melodies, tap numbers, with the aid of the co-operation of every member under the efficient direction of Miss Marshall, added a touch of perfection which accounted for the enthusiasm with which the play was received.

THE GIRLS' GLEE CLUB

Once again, we find that the Girls' Glee Club, the oldest girls' club in the history of our school, holds just claim to a substantial portion of the success which has accompanied the various organizations of our school during the past year.

This success has been due principally, to the capable direction of Miss Marshall, who has superintended the club's activities for many years.

The girls, thirty in number, entertained at many assemblies, and were also quests and entertainers at the Everett Rotary Club luncheon.

They feel honored to realize that their annual production, "Jerry of Jericho Road," was one of the most colorful presentations of the year.

The club treasury aided in sponsoring the visit of John Woodworth as the E. H. S. representative to the National Orchestral Convention at Syracuse.

The annual reunion was held May 4th in the gym, with many of the alumnae attending.

As has been the custom in previous years, the Girls' Glee Club contributed generously to the scholarship fund.

The girls have been intrusted in taking charge of the Dorothy Deane Award, which up to the present year has been the gift of Mrs. Deane.

Their special Friday morning assembly was accompanied by deserving success, just as their program at the Baptist Church. They also offered a short program during the Year Book Entertainment.

We had as officers Lucille Tarr, manager; Averill Carpenter, assistant manager; with Edna Wallace, as pianist.

The results of this year's activities have been extremely favorable, and we pass on the good wishes of the club's members to the girls of the coming year.

Vivian Harper

THE BOYS' GLEE CLUB

The Boys' Glee Club of the Everett Senior High School has completed another successful year under the auspices of our competent director and friend Mr. Colburn. Plans are under way for the Memorial Day exercises. We sincerely miss our pal and secretary, Herbert Metton but are glad to learn that he is gaining health.

With best wishes for the Boys' Glee Club '32 from Boys' Glee Club '31.

SENIOR NOVELTY CLUB

In September the girls of the Household Arts Department organized a club with Anna O'Connell as President; Edith Anderson, Vice President, Thelma Herald, Secretary; Angela Maiella, Treasurer; and Miss Bjornwall as Advisor.

During the course of the year many novelties were made for the homes and the suite of rooms in the department.

One of the main events of the year was a visit by the group to Simmons College.

The following are members of the club: Ethel Young, Helen McKillop, Edith Anderson, Marjorie Cowan, Evelyn Noel, Thelma Herald, Anna O'Connell, Vera Chulli, Angela Maiella, and Eleanor McGrath.

Ruth Goldthwait.

SPANISH CLUB

The Spanish Club has passed a very successful year under the careful guidance of Mrs. Brewer and Miss Downey.

We regretted very much the departure of Miss Stavrinos, who helped us at the beginning of the year, but we considered ourselves fortunate in securing Miss Downey.

Our officers, as elected at the beginning of the year were:

President ..... Blanche De Genova

Vice President ..... Eugene Kudryk

Secretary-Treasurer ..... Santa Campagna

Owing to the hearty co-operation of all, our entertainment was a decided success, just as was every other enterprise that we undertook. We were able to contribute a goodly sum to the scholarship fund.

We wish the best of success to all future Spanish Clubs and hope they will carry on our work, bettering it wherever they can do so.

Santa Campagna,

THE WRITERS' CLUB

The Writers' Club, organized last year by Mrs. Lawlor, became this year a school function. Its membership has been a small but active one. SIGMA ALPHA CLUB

The Sigma Alpha, better known to many as the Algebra Club, was organized in September 1923 by Mr. C. J. Thayer, instructor of Algebra.

The membership is made up of those boys who have shown, through their class work, and in an examination given by the Sigma Alpha, that they have a thorough understanding of Algebra.

Each year the Sigma Alpha gives competitive examinations to the pupils of the Algebra classes. The winner in these examinations is given an award by the Sigma Alpha, and is also admitted as an active member of that organization.

The organized Alumni have been doing a great deal this year to promote the interests of the Sigma Alpha.

Four new members have been admitted into the Sigma Alpha this year so as to fill the vacancies resulting in graduation.

The members of 1930-1931 are as follows:

THE EVERETT HIGH SCHOOL CHEMICAL ASSOCIATION

The chemistry club has completed another successful year under the direction of Mrs. Hazel W. Holt.

At the beginning of the year we chose:

Gilbert De Moor ..... President

Nigel Watt ..... Vice President

Benjamin Embriano ..... Secretary-Treasurer

The club is composed of those who are especially interested in chemistry and its relations to everyday life.

Last fall the members made extensive preparation for "Parents' Night." Each member of the club procured material to be placed on exhibition that evening. With the co-operation of the leading manufacturers in Massachusetts and in neighboring states, we had a fine array of material.

Our meetings were varied a bit during the latter part of the year. Mr. Wendelstein spoke on chemistry in general and its relation to everyday life. On another occasion Ford Grant, a former president of the Chemistry Club, spoke on organic chemistry.

On several occasions the members have visited several manufacturing concerns: Merrimac Chemical Company; Lever Brothers, Soap Manufacturing Concern; Carpenter and Morton Paint Company; and other plants of either local or chemical interest.

The work of the club has been both interesting and instructive. We have enjoyed every moment spent either in preparation of experiments or doing the experiments.

Benjamin Embriano, Secretary

THE EVERETT HIGH SCHOOL LYCEUM

The Everett High School Lyceum, the most venerable of all the clubs in the High School was founded by our Prineipal, Mr. Rockwood, in 1893.

The present purpose of the club is to foster good fellowship among the High School boys and to promote interest in public speaking.

For the past several years the Lyceum has presented a play annually. The cast, both male and female parts, were played by boys.

Roger MacDonald won the medal offered by the Boston College Club of Everett in the annual prize debate.

In the future the club plans to send two of its members up to Colby in Maine to take part in the tournament held there each year.

Our advisor is Mr. James E. Mahan to whom much credit goes for the suecessful undertakings of the Lyceum.

Isadore Huberman.

THE ASHLEYITES

The Ashleyites organized in September and elected as their officers: Averill Carpenter, President; Lena Levovsky, Vice President; Margaret Guy, Secretary-Treasurer. The Faculty Advisor is Mr. Ashley, who has aided us in solving many of our problems.

The Ashleyites boast of such celebrities as: Averill Carpenter who had the leading role in the Girls' Glee Club Show, "Jerry from Jericho Road," and who was on the Good Cheer Committee; Hilda Erikson who was the secretary of the School Council; Lena Levovsky, who was in the Prize Speaking Contest, and was the Exchange Editor for the Broadcast. Miss Levovsky and Frances Starratt had prominent parts in the Dramatic Club Show "Clarence." Lucille Tarr and Viola Curtis were members of the Glee Club. Miss Tarr was the manager of this popular club for 1930-1931.

We have had a very good time discussing many of the topics of the day. We have had joint socials with other groups; and, in general our year has been very instructive and entertaining.

Margaret Guy,
Secretary

SEAVERNITES

This bright array of smiling faces comprises the body known as the Seavernites. The Seavernites have played seeond fiddle to none other in the field of athletics and polities. What room ean boast of such a trio of athletes as Myles, Jaekson, and Foberg, the latter, eaptain of the basketball team and president of the Algebra Club? There is Eldridge, the relay star. A Seavernite was eleeted vice president of the Senior Class, and two seats in the School Counеil were held down by two more Seavernites—that is, until the second quarterly marks came out. The Seavernites set the paee for Year Book subseribing by being the first room to subscribe 100 percent. A Seavernite also holds the office of President of the Teeh Club. Let us not forget to mention our beloved friend and teacher, Mr. Seaverns, whose fairness and "regularness" will be held in fond memory by every Seavernite.

THE 1930 CLEMENTONIANS

The Clementonians of 1929-30 started the year with electing its class officers. Catherine McKenna was elected as president; Muriel Potts, vice-president; Dorothy Tuck, secretary; and Ruth Baker as treasurer. They presented their annual show in April. It was a one act play entitled "Day of Days". The proceeds were used to buy books for the library and other useful things for the school.

The class held many socials during the year at the homes of the pupils. Everyone enjoyed the year and it will always be one of the happy memories of high school.

THE 1931 CLEMENTONIANS

Clementonians of 1931! A small group, perhaps, but three of the six of the Juniors on the honor list in April were from Room 113. This class believes itself to be the first in school to broadcast a recitation through a real microphone from its home room to the Auditorium. The Clementonian slogan is "Impossible is Un-Clementonian".

THE DRAMATIC CLASS

The Dramatic Class was organized in September. Twenty-five members were selected from the large number who tried for a place in the organization. This class meets once a week for regular work and among the plays presented during the year are "Clarence", "Big Business", and "While You Wait". Four girls represented this group at the annual dramatic contest held in Pawtucket, R. I. at which twenty-one representative schools of New England and New York states competed. Miss Clement is the faculty advisor.

THE FOOTBALL TEAM

The season of 1930 was an outstanding season in two respects. First it marked the close of Everett's membership in the Suburban league, and second, we were privileged to have an intersectional game as a "Ter-centenary" celebration.

The Intersectional Game with Proviso High of Chicago was a thriller. Everett scored first, after the completion of several well concealed passes thrown by Polansky, and caught either by Brickley or Lund, Foberg carried over from the two yard line; the point after touchdown was tried through the air on a fake place kick—Goldstein tossed a weird pass to Polansky out on the left-flat which was grounded. Thus Everett had now 6 points instead of 7. Proviso failed to make any impression on the Everett line, and seemed about beaten, when suddenly in the last two minutes of the game, a long pass of thirty yards thrown by Kehr and completed by Ernest scored a touchdown. Proviso kicked the goal thanks to Mariack. And so the game ended Proviso 7, Everett 6. Other thrilling games were the Rindge game which Everett won 9—0, and the Cambridge game won by Everett 7—0. Everett suffered the loss of three hard fought well played games by a solitary touchdown Newton, Malden, and Salem. The breaks of the game many times determine a victor, the year 1930 passed without Everett receiving one break, consequently the defeats mounted in numbers, but no Everett team ever fought more courageously, and Coach Gildea may well feel proud of his little crowd of gallant warriors.

EVERETT HIGH SCHOOL BASKETBALL TEAM

The E. H. S. basketball team of 1931 was one of the finest ever to represent the Everett High School in this sport. Their record stands second only to the great team of 1928.

Sixty-five candidates tried out for the team. The squad was finally cut to 20 men. The first squad was led by Captain Charles Foberg and composed of Rogean, Polansky, Schwerdt, Rogers, DiVenuti, Fuglestad, Pelosi, Yavarrow, Manuel, and Kudryk.

The second squad was captained by J. Lillis, and composed of W. Foberg, Flight, Winterbottom, Drew, Worenstein, Quinn, Hoffman, and Doherty.

Coach Putnam led his team through a fine season and the class of 1931 wish him every success for the future.

GIRLS' BASKETBALL

Late in November all girls interested in basketball assembled in the gym and formed Class Teams.

It was decided that there would be little outside competition due to the fact that the majority of candidates were Juniors or Sophomores.

The Sophomores elected Vera Kendall their Captain. Some of the outstanding Sophomores were Vera Kendall, Virginia Ruffo, Martha Campagna, Blanche Berger, Eleanor McCool, and Louise Clemens. These players were out for almost every practice.

Another Kendall was chosen by the Juniors as their Captain, this time Frances Kendall was elected. Without exaggeration it may be said that Elsie Stockard and Frances Kendall have the best form and playing ability of any high school players. The Young twins as guards are a puzzle that the opposing team is still trying to solve. Which is which? Helen Mack, Mildred Chisholm, Winifred Pike Elizabeth Gardner, Eleanor Breau, Rita Amoroso are some of the Junior "Old Faithfuls".

Chelsea was the only outside team which Everett played. The Junior Team defeated Chelsea Varsity with a score 32—16. The Sophomores were defeated by a narrow score of 12—11 by Chelsea's Second Team.

One Senior Rose Tierney deserves much credit because she reported for almost every practice during the entire season with the knowledge she could not take part in any outside game.

Although next year's teams may have a larger schedule it can bring no more enjoyment than this year.

B. Gourville, Mgr., '31

BASEBALL

Coach Dennie Gildea started the 1931 Baseball season with a fine group of ball players. The majority of boys have had one or two years experience and should make this season's baseball team one of the best in the records of the Everett High School. The team is captained by Millin Yavarrow and consists of the following veterans, DiVenuti, Lillis, Harrington, Lund, Polansky, Coviello, Gagliardi, Rogean, Curnane, Brickley, Panarello, Shea, and Davis.

The schedule is as follows with the scores of the games that had been played previous to the time the Year Book went to press.

Everett	2	Haverhill	3
Everett	5	Lynn English	2
Everett	4	Newton	1

TRACK TEAM

High and Lynn Classieal was defeated by the splendid Everett quartet of Carroll, Committo, Eldredge, and MeKee.

One week later at the B. A. A. games the Everett quartet of Carroll, Eldredge, Pais, and McKee, defeated Lowell, Lynn English, and Portsmouth High in reeord time for the mile relay.

After setting up such a reeord the Everett quartet was the big attraction at the Andover Interscholastie meet on Feb. 22 at Andover. Matehed against the great Boston English High team, Everett ran a splendid race, and although beaten by two strides her time was the seeond best of the day and thus scored 4½ points for her at this meet.

The final meet of the indoor season was the huge State Meet, at the East Armory, Boston. McKee, Pais, and Carroll were splendid this day. So too was the relay team. Everett amassed 17 points and was seeond to Watertown. A truly remarkable showing.

Coaeh Gildea has worked exeeedingly hard to develop track at Everett High, and the fruits of his work are beginning to show. Everett is tapping at the door of fame in the traek world.

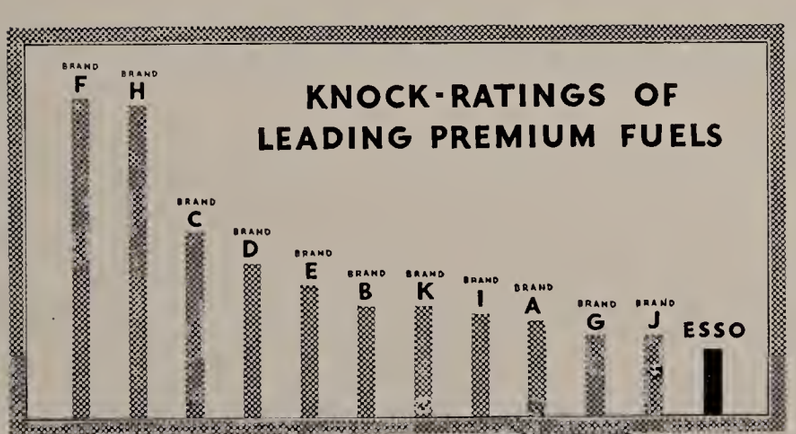
Such might very well be the report sent back by ESSO to Colonial-Beacon headquarters. For in a few short weeks this world-famous motor fuel has taken New England and New York State by storm. ● If you don't know about ESSO, you ought to. Nothing quite like it has ever been offered to motorists before. The immediate response of the public to its greater power has been phenomenal. ● The chart below helps explain why.



Note how far superior to all other premium fuels ESSO's knock-rating is. These results obtained with the Midgley Bouncing Pin Machine developed by General Motors and accepted and used by the Ethyl Gasoline Corporation. ESSO will show the same superiority with any other testing system, even those ranking some fuels at "zero." Samples here picked at random from roadside pumps March 25, 1931, and tests made by the laboratories of the world's leading oil company—STANDARD OIL COMPANY OF NEW JERSEY
